Dept. 75,  
Shop Committee,  
Federal Shipbuilding Drydock Co.,  
Kearny, N. J.

Dear Mr. Massey:

I am writing to thank you for the contribution your Department so kindly sent for providing transportation to get a show to our Negro Soldiers at Fort Dix, N. J. each week.

Mr. Bill Leath of Department 32 gave me \$5.85 which you collected. I talked to Mr. Robert Monroe of Department 32 and asked him to arrange to have a Committee from the Ship Yard to go to Fort Dix with the show this coming Tuesday, Sept. 15th. I am sure he will speak to you about it, and will appreciate having you go along. If you Gentlemen could see the swell job being done, I know your enthusiasm would be very great.

Again please accept my thanks on behalf of the Volunteer War Service Committee, of which I am the Treasurer and Miss Sarah Cooke, Chairman.

Very truly yours,

EM:CCJ

P. S. I am sending this letter to Mr. George Thompson and Mr. Raymond Cleary, in order to have someone on each floor in a position to contact their co-workers. I suggest you three form a Committee, with which I will be glad to meet at any time.
